Chairman Message

As we stand at the threshold of a new chapter in our journey, I am filled with pride and gratitude as I reflect on our achievements and the opportunities that lie ahead. The past year has been a testament to our resilience, innovation, and unwavering commitment to excellence.

Our success is built upon the dedication of our talented team, the trust of our customers, and the support of our partners and shareholders. Together, we have fostered a culture of integrity, collaboration, and forward-thinking that serves as the cornerstone of our sustained growth.

As we look to the future, our focus remains on driving innovation, expanding our horizons, and contributing positively to the communities we serve. Sustainability and social responsibility will continue to be at the heart of our strategy, ensuring that we build not only a successful company but also a better world for future generations.

Here's to a brighter and more prosperous future for all.

Warm regards,

Md Mizanur Rahman

Chairman

Source of Raw Material:-

Quality of the products is the most important factor. The products made with above-mentioned machine are for higher quality and better valued garments. To match the highest level of quality, our machines are imported from Taiwan, Switzerland, China, Germany and Italy. All raw materials such as yarn, rubber, ribbon are imported from Thailand, Indonesia, China, India, Pakistan and, Taiwan to maintain the consistent quality even for betterment of the quality of products. We are introducing much more sophisticated and advanced technology.

Environment Policy:-

All of our products and devoted to produce are without hampering the environment and considering to the health and safety of our employees. We accomplish this strictly by complying with the environmental laws and regulation of the governments of Bangladesh ensuring hygienic and safe working conditions. All the chemicals/Inks are imported from Italy/Taiwan/China accordance with compliance. We implemented our environment policy throughout the organization. We check the impact of environmental policy by internal audit
